Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>I object for the following reasons:-</p> <p>Parking is and will be a nightmare for the Parade.</p> <p>Access from the site onto the A227 will create another accident black spot in addition to the existing ones.</p> <p>Not enough Hospitals, GP Surgeries or Schools to cope with additional residents. Our services are struggling as it is.</p> <p>No public transport encouraging people to use cars.</p> <p>Plans for 3000 homes in Borough Green, will increase traffic through Meopham.</p> <p>The number of lorry's, on top of the number that use it now will increase causing the road to crumble and then the roadworks to repair the road and the lower Thames crossing will cause more congestion.</p> <p>Drainage will become an even bigger problem.</p>
