Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Having only just been able to view the plan we are concerned about the extended roof This is currently a flat roof on a garage but the proposal is to make it a slopping roof to the height of the current roof We have concerns this will restrict light into both our kitchen and bathroom whose only windows will look out onto a new roof which is much nearer than the current one hence blocking out light to both theses rooms

Kind regards
