Reasons for comment:	
Comments:	I support this planning application and I believe this will be a brilliant addition to the local community. I know the area well as I use the town centre frequently and I think this will fit in perfectly. This planning proposal will reduce the congestion on Friday prayers at the other premises in gravesend and relieve the pressure on parking in the area, as locals can easily walk to this location. I am especially excited to see the services Al Haqq wish to provide and I hope they get all the support possible from local council.

Kind regards
