Reasons for comment:	
Comments:	Having lived in Gravesend/Northfleet my whole life, and as a Muslim woman, I am very proud of the large and different religious/ethnic/cultural demographics that reside and flourish in Gravesham. I support the different religious communities in their places of worship, and I support the Al Haqq Academy, and their plans to benefit the large and ever growing local Muslim community, by converting the old Peacock pub in to a place of worship and community centre. There are two other Mosques in Gravesend, whose distances are separate enough to accommodate 78 Peacock Street being an ideal location for the town's diaspora.

Kind regards
