Reasons for comment:

Comments:	I am in favour of this planning proposal and I hope this is passed as soon as possible. I'm looking forward to sending my children here and using the facilities on a daily basis. It's walking distance from my home and its actually a great location being so close to the town centre as I can visit the site frequently. I know many of my friends and family who will be using the services provided by Al Haqq, and the good thing is we can all easily walk there as it's in the centre of town and so easily accessible.
