Reasons for comment:

Comments:	This proposal seems to be thoroughly well thought out and I believe the local community will be greatly boosted with the opening of this Academy. I am looking forward to walking there on my daily walks and taking advantage of the community activities, and it would be great to get involved with the food-bank and help with the other charitable works. This proposal is absolutely a positive for Gravesend and I would hope that it gets the full support from all locals and council leaders, as charitable works can only be a good thing. This will make Gravesend a better place to live, safer for my children, and give equal opportunities to those less fortunate. Looking forward to visiting the premises on a regular basis!
