Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	As parking is a huge issue on Harden Road and Struttons Avenue removal of a garage and possible driveway will only add to the situation, many cars park on the grass verge's or paths and over dropped kerb's. As a driver of a disability vehicle with a disabled bay almost opposite this property it is hard to gain entry because of how the parking is. Also on our own experience of applying to do a livable dwelling on our land we were refused because of taking away parking spaces. Maybe a monitored survey needs to be done to see the carnage of traffic chaos on a daily basis on the entry and exit of Struttons Avenue to understand that placing another property in this area will cause more problems
