Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There are several reasons for objecting to this plan 1. As this is a no through rd, logistically access in and out will be problematic with having heavy construction vehicles in the road. Also, during school term time, it is difficult enough to get out of our road due to drivers gridlocking down Park ave 2. Parking is awful now so will be worse when a] buidling is in progress and b] when 4 more houses will possibly have 8 cars. Not every house has access to a garage 3. We have had enough disruption, dirt and noise with the never ending construction at No2 4. I am a nurse and obviously will have my sleep disturbed after a night shift 5. The adjacent neighbour has already suffered health issues due to this so it would have a major affect on him

Kind regards
