

Good Morning,

As per the requirements of our planning permission for our property 3 Coutts Avenue Shorne Gravesend Kent DA12 3HJ please see details below as requested.

The work will be carried out using concrete blocks and london brick, once complete it will then be rendered and painted in an off white/cream colour.

Windows will be flush aluminium in agate grey with a matching front door with two windows either side. We will then have an oak porch surrounding the front door.

The rainwater goods will be standard black.

The roof tiles will be heritage clay in medium blend. Please see the attached pictures for your reference:
