**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015 (AS AMENDED)**

NOTIFICATION OF GRANT OF PERMISSION TO DEVELOP LAND

To: **Mrs Ann Ellis
C/O Mr James Carney, James Carney Architects Ltd
116 New Road
South Darenth
DA4 9AR**

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **GRANTED PERMISSION** for development of land situate at:

**38 The Rise
Gravesend
Kent
DA12 4BX**

and being **Erection of a single storey rear extension to replace existing conservatory and replace existing detached garage with an attached single storey annex to side to be used ancillary to the main dwelling.** Your application dated 13th October 2021 is permitted subject to the following:-

1. The development to which this permission relates must be begun not later than the expiration of three years beginning with the date on which this permission is granted.

Reason: In pursuance of Section 91 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out only in precise accordance with the following schedule of approved plans and details, unless alternative details are approved pursuant to the conditions imposed on this decision notice:

Application form received 13 October 2021.
Drawing no. A103/P rev P1 (proposed plans) received 6 December 2021.
Drawing no. A101/P rev P1 (site location plans) received 6 December 2021.
Drawing no. A102/P (existing plans) received 13 October 2021.

Reason: For the avoidance of any doubt and in the interest of proper planning.

3. All materials used externally shall match those listed in the submitted planning application form received 13 October 2021.

Reason: To ensure the appearance of the development is satisfactory and without prejudice to conditions of visual amenity in the locality, in accordance with Policy CS19 of the Gravesham Local Core Strategy 2014

4. The kitchen window on the north-eastern elevation shall be fitted with obscure glass and, apart from any top-hung light shall be non-opening. This work shall be carried out and completed before the room is occupied and shall be retained at all times thereafter.

Reason: To ensure the development does not prejudice conditions of amenity by reason of unneighbourly overlooking in accordance with Policies CS19 of the Core Strategy 2014.

5. The majority of the existing dwarf wall to the front (southeast) of the dwelling and hedge behind shall be retained.

Reason: To ensure acceptable visual amenity when the driveway/parking area is extended in accordance with Policy CS19 of the Core Strategy 2014.

6. The hardstanding to be used to extend the driveway shall be constructed of a permeable material or provision shall be made within the curtilage of the dwelling to direct surface water run-off away from the highway.

Reason: To ensure no rainwater enters onto the highway in accordance with Policy CS18 of the Core Strategy 2014.

7. The annexe hereby permitted shall not be used at any time other than for purposes ancillary to the residential use of 38 The Rise, and it shall not be used, let or sold at any time as a separate unit of residential accommodation.

Reason: The use of the annexe as a separate unit of residential accommodation unrelated to the main dwelling house would create a poor standard of accommodation for any future occupants given its size and the lack of a private garden, resulting in a development which would be contrary to Policy CS19 (Development and Design Principles) of the Gravesham Local Plan Core Strategy (September 2014).

INFORMATIVES:-

1 DEVIATION FROM APPROVED PLANS

It is possible that any proposed deviation from the approved plans could be classed as a 'material' change requiring a further application/permission. In the event that any change is proposed, applicants are advised to seek advice from the Local Planning Authority as proceeding without the necessary permissions could nullify this permission.

2 BUILDING REGULATIONS AND PARTY WALL ACT

This decision DOES NOT imply any consent which may be required under the Building Regulations or under any other enactment or provision. Nor does it override any private rights which any person may have relating to the land affected by this decision, including the provisions of the Party Wall etc. Act 1996.

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **Appeals must be made using a form which you can obtain from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN; telephone: 0303 444 5000; email: enquiries@pins.gsi.gov.uk or online at www.planningportal.gov.uk/pcs.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having

regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

***Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

COMPENSATION

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
