15th December 2025

Application ref 20251111

The Bungalow Gravesend Road Shorne Gravesend Kent DA12 3JJ

Extension to existing dropped kerb.

The Parish Council has no objection in principle to this application although care will need to be taken during construction regarding the nearby roadway drain – KCC Highways should advise on this and whether a dropped kerb as proposed is permissible in that location.

From the aerial view, it appears that the previously existing hardstanding has been extended forwards by removing the previous flowerbed and plantings. Other properties in the area also have fully paved front gardens.

It is noted that the aerial view also seems to show a rear roof dormer and other structures at the rear elevation of the property, which may need planning permission.
