Reasons for comment:

Comments:	<p>This application is for land that is currently farmland which contributes to food production so should not be built on.</p> <p>The access will be dangerous for cars as it is on a narrow country lane.</p> <p>150 extra houses will put strain on Meopham's infrastructure - schools, doctors and local shops would not be able to cope.</p> <p>Traffic volumes will increase on a road that is already busy (A227) and used as a cut through, often becoming gridlocked when there are incidents on nearby major roads</p> <p>Combined with other planning applications in place, there is the potential increase in the population of Meopham village by one third</p>
