Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I'm objecting due to the environmental concerns on the surrounding area caused by the proposed development. Also due to the impacting change to both meopham and sole street villages that your proposal will bring. Finally I also have concerns relating to infrastructure (village roads and lanes) and services that cannot cope currently let alone should this proposal so ahead (doctors/school places etc)

Kind regards
