Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I strongly object to the planning of new houses in this area as it is not suitable for further development.</p> <p>The local infrastructure is already under significant strain and will not be able to support an increase in residents. There is currently a shortage of school places and limited access to doctors and healthcare services, which would be made worse by any additional housing. Families moving into the area would struggle to secure education and medical care, negatively impacting both new and existing residents</p>

Kind regards
