Reasons for comment:	
Comments:	<p>Reasons for objecting to this proposed development::</p> <ul style="list-style-type: none">- the infrastructure of the current village cannot cope with the proposed increase in houses and increase in people (for example Drs appointments)- environmental impact on current green space and wildlife- increased traffic on Wrotham Road. This road is already too busy at both peak and off peak times. Pollution from increased cars will have a detrimental impact on health.- Wrotham rd cannon cope with the increase In heavy goods vehicles that would be required during building works.-

Kind regards
