Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am very concerned about the impact this proposed development will have on the area. The surrounding roads are already too busy with traffic. It will be a nightmare trying to navigate that junction at the parade of shops with the main road. The local doctors and schools are oversubscribed. Parking at the parade of shops in Meopham is inadequate to deal with the extra residents who will be using the shops. It will be devastating to lose the beautiful countryside. Meopham is a village and it cannot handle this additional volume of residents.

Kind regards
