Reasons for comment:	
Comments:	<p>There will potentially be another 700 cars pulling out onto the already heavily congested A227 near the junction with Green lane and opposite a busy shopping area which has already required traffic calming measures. This area of the road is an accident black spot due to inconsiderate parking.</p> <p>This proposal of 350 houses will cause a visual impact on the adjacent conservation area.</p> <p>This is a large farmland site used for food production.</p> <p>At school start and finish times this area of the road is full of parked cars causing dangerous conditions for both motorists and pedestrians.</p>

Kind regards
