Reasons for comment:

Comments:	<p>Meopham is a peaceful, rural village, surrounded by fields and amazing views. This will kill that peace, kill our rare wildlife. The construction alone will pollute, the construction vehicles on our small and poor quality roads will be too much. We have regular flooding on roads, our drains overflow already. We don't have the infrastructure to cope with more cars and people. [REDACTED]</p> <p>[REDACTED]</p> <p>WiFi signal is poor. Phone signal is poor. We often have electrical power outages and water shut offs - we cannot cope with more people and buildings! Gravesend town with a fantastic train link fantastic facilities has many brown sites which should be used!</p> <p>Please see sense - do not ruin our lovely village.</p>
