Reasons for comment:

Comments:	<p>Meopham is a calm small village, which is why so many people live there, yes building new properties give more opportunities to many but it would lessen the quality of life to those already living there, such as myself. With the new shops opening in Meopham the traffic is already heightened and with this new project it would grow out of proportion.</p> <p>We live here to get away from the busy city and to feel closer with our English culture and community while still being in distance to the rest of the country, but by constantly building upon us we would just be modernised like any other place, losing what is so special about Meopham and the surrounding villages. Build this settlement somewhere that needs life and opportunity but don't steal ours.</p>
