Reasons for comment:	
Comments:	<p>Oppose on basis:</p> <p>Developments envisaged to increase population in this area of Meopham 2-3000. This is completely disproportionate and far in excess of what local facilities can accommodate.</p> <p>Irreplaceable agricultural land and employment.</p> <p>Will promote severe traffic congestion and likely complete gridlock.</p> <p>Significant risk of risk and danger to pedestrians especially school children who have to cross A227.</p> <p>Focus should instead be on developing Gravesend, especially brownfields</p> <ul style="list-style-type: none"><li>- Tollgate - where is the need for another service station</li><li>- what plans for Woodville and former council offices - housing and shops where it is needed or another derelict site in the town centre ?</li></ul> <p>Green belt is an amenity not just for local residents but for the whole of Gravesend for many visitors from further afield.</p>

Kind regards
