Reasons for comment:	
Comments:	Objecting on the grounds that the village of Meopham is does not have the infrastructure to support such a large housing development. Wrotham Road is already busy enough without more housing being added which will increase traffic in the village. Being so close to the school with increased traffic would make the road more dangerous for children and parents walking to school. It is also being placed on green belt land, it is important that we preserve our natural environment.

Kind regards
