Reasons for comment:	
Comments:	<p>This plan is ridiculous. Right next to an autistic school where noise has a huge impact on the children.</p> <p>This plan is another that is adding to an already overcrowded area that cannot cope with traffic, hospital appointments and overcrowded schools. The roads in the area are not suitable for the extra traffic and any small accident or delay causes chaos through the narrow lanes. The council really need to appreciate that this is a village not a town with restricted facilities and could just not cope with extra housing.</p>

Kind regards
