Reasons for comment:

Comments:	WPL is a small narrow country lane with blind spots & tight corners. Adding more traffic to this narrow lane would be extremely dangerous. This is green belt land which should be protected in an area of outstanding natural beauty. More & more plans are being submitted very cleverly by breaking them down into sections. There is lots of fly tipping & rubbish being dumped in the area. The lane is narrow with beautiful trees outlining the lane. Lots have all been cut back to get caravans down the lane. Proving that this lane should not be being used for heavy traffic.
