Reasons for comment:	
Comments:	Hi I am trying to add some photos to show how simply the infrastructure of the narrow lane of church street simply cannot withstand any more traffic. I have some photos to show a typical day at church street by the church busy with walkers/ church visitor/ resident visitors and also network rail who are frequently parking to work on the close by railway line. Please let me know how I can upload for you to see. [REDACTED]

Kind regards
