

20241109 Dene Holm House Dene Holm Road

KCC Heritage 3 February 2025

Thank you for consulting us on this application and my apologies for the delayed response.

The site lies within an area of multi-period background archaeological potential. However, based on existing Historic Environment Record data for the area and the past development of the site, I consider it unlikely that these proposals would have a significant below-ground archaeological impact and have no further comments to make in this case.
