Dear Mrs Hankin

Town + Country Planning Act 1990
Changes to 59 Central Avenue

Thank you for your letter of 13/12/24
which was received on 18/12/24.

The overall modifications and changes
would suggest that an HMO is intended.
Our area is of a family residential nature
and not suitable for such a property.

Also, the proposed extension will
restrict the light to  rear garden and
house.

Yours sincerely
