Why do you consider that a Lawful Development Certificate should be granted for this proposal?

I am a disabled man so I need to extend my driveway with a drop kerb so I can park right on my property. I have a small driveway that isn't appropriate for use as I can't open the car doors fully when exiting my vehicle. I would like to make a more suitable driveway for my disabled needs so need a drop kerb outside my home. Our road can get busy so it's hard for me to find parking near my home and I struggle walking long distances.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
