Reasons for comment:	
Comments:	<p>The A227 cannot cope with the current level of traffic and as I write it is closed AGAIN and no access to M20 unless you go via the lanes which cannot handle the increased traffic.</p> <p>If it rains too hard, the surrounding roads flood.</p> <p>There is not enough health care, schools etc. Residents often complaining about internet issues.</p> <p>Potentially more green belt land being built on and the landscape permanently ruined. Wildlife killed off. We need to look after this village rather than destroying it.</p>

Kind regards
