Stance: Customer objects to the Planning Application

Reasons for comment:

Comments:

I object to this planning application on the following grounds:

- . Noise pollution
- . Extra car pollution and traffic flow
- . Church Lane & Lower Higham Road are not fit for heavier traffic flow; there has already been two accidents in the last 2 weeks from Church Lane resulting in agricultural and property damage. The roads are too narrow and badly signposted
- . Obstruction of country views
- . A few years ago, a neighbour applied for the same planning and was refused; this application should also be refused
- . We do not want treatment plants - risk of contamination of agricultural land, waterways and wildlife

Kind regards
