Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I consider this inappropriate over development in a rural landscape, which will negatively impact on wildlife and the rural landscape. The development is too large, impacting on the rural landscape and will remove land from productive use as well as the negative impacts of the increase in traffic. Not sustainable development and a substantial change in the use of land (not agricultural as it is for production uses)

Kind regards
