**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015 (AS AMENDED)**

NOTIFICATION OF REFUSAL OF PERMISSION TO DEVELOP LAND
--

To: **Mr & Mrs William Walden
C/O Mr James Barron, Barron Edwards Ltd
Barron Edwards, Whitehall Place
47 The Terrace
Gravesend
DA12 2DL
undefined**

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **REFUSED TO PERMIT** development of land situate at:

**Land North Of Foxdene
Wrotham Road
Meopham
Gravesend
Kent
DA13 0QG**

and being **Erection of detached chalet bungalow**

Your application dated 18th March 2022 is refused on the following grounds:-

1. The site is within the approved Metropolitan Green Belt. Within the Green Belt there is a strong presumption against permitting new development outside of the present defined extent of urban areas and the present extent of any village. National Planning Policy Framework 2021 Section 13 (Protecting Green Belt Land) indicates that the most important attribute of Green Belts is their openness. The development will not preserve the openness of the Green Belt through construction of 1 additional dwelling, associated hardstanding, lighting, car parking and residential paraphernalia and will conflict with the purposes of including land within the Green Belt as it will encroach into the countryside and urbanise the site. In the absence of any 'very special circumstances' that may otherwise outweigh the harm by reason of inappropriateness, and any other harm, the proposed development is considered to be contrary to the advice in Section 13 (Protecting Green Belt Land) of the National Planning Policy Framework (NPPF) 2021, and Policy CS02 (Scale and Distribution of Development) of the Borough Council's adopted Gravesham Local Plan Core Strategy (September 2014).
2. The application site lies within the locally designated Meopham Downs Landscape Character Area, where local and national planning policy and guidance expect developments to conserve, restore and enhance the natural landscape. The proposed development, if permitted, would be harmful to the landscape character when compared to the existing site. The harm from the redevelopment of the site in this instance would be derived from the bulk and massing of the dwelling, the associated hardstanding, lighting, car parking and residential paraphernalia. The application is therefore contrary

to Policy CS12 and CS19 of the Borough Council's adopted Gravesham Local Plan Core Strategy (September 2014) and Section 15 of the National Planning Policy Framework (NPPF) 2021.

3. The applicant has failed to provide any ecological evidence assessment covering the impact of the development on wildlife including reptiles. Together with the significant loss of mature landscaping, trees and scrub land, the proposal would result in a biodiversity net loss, contrary to Policy CS12 (LPCS) and paragraphs 180 and 181 of the National Planning Policy Framework (NPPF) 2021.

2 STATEMENT OF POSITIVE AND PROACTIVE APPROACH TO DECISION-MAKING

In accordance with Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended), and paragraph 38 of the National Planning Policy Framework (NPPF) 2021, the Local Planning Authority has approached the assessment and determination of this application in a positive and creative way and, where appropriate, has worked pro-actively with the applicant to secure a development that is sustainable and that improves the economic, social and environmental conditions of the area, and that is in accordance with the Development Plan for the area.

In this instance, pre-application advice was not sought and the application is contrary to the current local and national planning policy and the planning objections could not be overcome by amendments to the scheme or through the imposition of acceptable and appropriate planning conditions.

## **NOTIFICATION TO APPLICANT**

### **APPEALS TO THE SECRETARY OF STATE**

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application\*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of**

**the date of this notice.**

- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

#### **\*Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

#### **PURCHASE NOTICES**

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
