Application Reference: 20251233		Case Officer: Adeoye Lawal	
Location:	Land at Rose Farm, Downs Road, Istead Rise, Gravesend, Kent		
Proposal:	Outline planning application for the demolition of 64 Downs Road & erection of up to 154 residential dwellings & creation of a new access from Downs Road (Full details on Gravesham's Council's Website)		
I am:	Member of the Public (Age 18 or above) ☒	Other:	
My Title & Full Name:			
My address & postcode:			

I wish to **object** to planning application number **20251233** for the reasons stated below: \

I object this planning application due to the already pressure on our village with our local doctors and shops, the amount of added people this will bring, not to mention the amount of cars it will bring to our already damaged roads in Istead Rise and the surrounding areas! People move to the area due to it being rural and having lovely country views this will be damaged by the awful view of a new housing estate, especially when there is lots of unused spaces in Gravesend ie. the old hospital and the tallgate Centre which have sat going to ruin for many years!! Do not take away our green spaces for greed, and damage wildlife, natural habitats

Signed:

Deadline for objections: 26/1/26

valuable greenbelt land, walking routes in the fields, we already lack safe walking routes and this plan is at detriment of local people due to the pollution the cars will bring, imagine how many cars 7,000 add people will bring!

Also the traffic around the school is awful without the amount of cars this plan will bring, causing traffic and danger to the children and families travelling and walking to school.

The Developers have already falsified the numbers regarding the Op numbers as instead Rise and Meapham have already stated, this brings a large amount of worry to us as a village, as who knows what else they have made up.
