Reasons for comment:

Comments:	<p>This development will be a blight on village for what i feel are the following reasons.</p> <p>unwanted Increased traffic and conjection on the A227 at Culverstone</p> <p>Dr/Medical facilitys in the already stretched local surgerys</p> <p>Local school spaces</p> <p>Public transport facilitys to local arears, these are already discusting/poor.</p> <p>Local footpaths and street lighting very poor due to the countryside location.</p> <p>Meopham area is desidnated an area of outstanding natural beauty, why spoill/degrade it?</p> <p>The construsction period with large amounts of very heavy lorries and noise polition is not wanted.</p> <p>Impact on the local enviroment and wildlife will be unacctetable.</p> <p>No local facilitys for the youth!!</p> <p>No Local parking for the local shops or schools, which most people drive to. (Alway will!!!!)</p> <p>This will cause a great deal of parking anger in the local area.</p>
