Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Regarding the planning application for 20250802. This proposed development for 100 dwellings will be on farmland currently protected by the Green Belt, and should remain under that protection. Using green belt land is the lazy answer to providing housing and other options should be found. More housing on the A227 will inevitably cause more traffic on a road that is often at a standstill, and doctors and schools are already oversubscribed. This development should therefore be refused.

Kind regards
