Reasons for comment:	
Comments:	<p>Dear Gravesham Council,</p> <p>I am submitting my objection to the planning application above for many reasons.</p> <p>Firstly the A227 is an inherently busy road and has encountered many accidents particularly between the Costcutters at Culverstone and Hogarth tyres. At this particular junction there have been many floods and the implementation and construction here will cause absolute chaos around school traffic and rush hour in particular.</p> <p>Also the increase in population will make this so much worse.</p> <p>As a community we struggle to get health care via our GP as it is and no budget will be allocated to them to accept the increase.</p> <p>The wildlife will be thrown into chaos and the existing quiet village we moved here to be a part of no more !</p> <p>Therefore please accept this as my objection</p>

Kind regards
