Reasons for comment:	
Comments:	If permitted, moving the mobile home/lodge, even if split into two, through Bowesden Lane would damage, or require the removal of, large oak trees that have been there for many, many years, it would also severely damage the sides/verges of the lane, this lane is very narrow, in places the lane is only about 10 feet wide, nowhere near big enough to move large caravans down, even if split into two the caravan would still be wider than places in the lane, damaging the verges & trees, it would be difficult for the towing vehicle to manoeuvre down to the site

Kind regards
