Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	We strongly object to the development of a driveway on this application at Northfield house due to the following points: It would be opposite Meopham school which is already extremely busy at peak times and so would be dangerous with school children on pathways and cars exiting onto a very busy A road. Space is so limited on the plan that you would have to reverse onto a main road as turning would be impossible . The new wall wouldn't be in keeping with the property and further hard standing surface would create too much surface water due to vegetation being removed in front /side garden .
