Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There are 2 disabled parking bays on the street and 3 people (one of us in our house) as blue badge holders. With the amount of people coming in those spots will be taken and then what about the actual residents or neighbors? There's so much rubbish dumped by those already that live at the peacock so how is adding an institution going to help? It's a residential street, the religious group that are here have been here for decades so the community has grown around them. Adding more creates chaos and more footfall to an area that is already groaning under pressure

Kind regards
