| Comments: | <p>I wish to object to the proposed planning application 20260207 on the following grounds:-</p> <p>This land needs to be preserved for farming and growing crops.</p> <p>The habitat of wildlife needs to be protected - the flight paths of birds and hunting grounds for animals will be destroyed.</p> <p>The GP surgeries in Meopham and Istead Rise are already both at capacity and with this development would put a terrible strain on the local GP surgeries.</p> <p>Norwood Lane cannot support the heavy construction traffic and the extra volume of traffic, and if this development were to go ahead, traffic could increase by up to 1450 extra vehicles plus delivery vans.</p> <p>If Norwood Lane is closed off at one end, this will impede emergency service vehicles.</p> <p>All the additional traffic will cause more pollution and such a development will cause light pollution.</p> |
|-----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Village life would be changed forever and local residents would move away from the borough for a more quieter life.

---

Kind regards
