Comments Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: As a local resident I object this project for several reasons:
- increased traffic in an already congested area
- vehicle stalling due to delivery activity will have a serious effect on air quality and overall environment in an area popular with children and families
- littering is already an issue in Woodlands Park, the new proximity of a cheap largescale takeaway will only worsen the problem

Kind regards
