Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	Roads around the area are too narrow for passing lorries and large vehicles with danger spots at the junction to the A227 Extra housing will cause water and drainage problems, two hot days and a hose pipe ban is put in place - problem. Farm Land must be kept for crops, not housing Infrastructure will wholly lacking on all counts - problem Villages must stay rural and not made into towns. When will this country realise food is most important for feeding the nation, not housing. There are lots of empty buildings in nearby towns that can be developed before taking essential farmland separating Meopham and Sole Street Problem with narrow roads Water shortage in Summer and no new reservoirs in Kent
-----------	---

Greenbelt must not be used for nothing but crops and farmland is important for reducing our carbon footprint.

Totally Object

Kind regards
