Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I have serious concerns about the infrastructure around this development. The wrotham road and green lane are already gridlocked with traffic at school times and when the A2 has an incident as both roads are a route for traffic to the M20. I have been having issues accessing both roads when leaving my property. There is also the issue of the wear and tear to the roads there are always potholes appearing on both roads. Additionally the extra housing will impact the GP surgeries, pharmacy and shop facilities in the area, the schools will be oversubscribed and additional cars parking in an already congested route. This is all unacceptable to the area.

Kind regards
