Dear Sir/Madam,

FAO: Lisa Fisher

Your Ref: 20241069

Thank you for your email. Upon reviewing the most recent drawing on the portal, I can see that the only amendment is the number of spaces within the cycle store which appears to have no impact on my previous comments. Therefore, my original letter dated 02/01/2025 stands, and I have no further comment at this stage.

Kind regards,
Peter
