Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Younger people need help getting on the housing ladder, and this development will provide affordable housing, which is really good. I also support the proposals as it is quite nice that the development is being planned in a way that considers more than just housing numbers, like the environmental aspects. It's also a commutable town.

Kind regards
