14th September 2025

Dear Sirs

Re 104 Timber Bank, Vigo Gravesend, DA13 0SW
Works to protected trees; T1 – Removal of Sycamore Tree
and grinding out of stumps. Ref: GR/2025/0884

The Society would wish to comment that it is difficult to identify the exact tree which is the subject of this application. From the application documents the tree is at the front of the property and from Google street scene appears to be an overgrow coppice. It makes some contribution to the street scene.

Yours faithfully

Mrs P Lippiatt
Hon. Secretary
