Reasons for comment:	
Comments:	Stop trying to take our green spaces!! We have no space for anyone in the village, my son didn't even get a space at Istead rise primary school and we live less than half a mile away from it. Crazy how anyone thinks we can have the space for it when the schools cannot take the children who already live in the village, the doctors have stated they have no space for new patients. Put to use the land the hospital and the tollgate sits on, both which have been empty for over 20 years!!!

Kind regards
