Reasons for comment:

Comments:	I am writing to express my support for the proposed planning application for a mosque at the former Peacock Street pub. This new mosque will greatly benefit our growing community by providing a space for peace and tranquility. With two existing mosques already operating at capacity, this additional mosque will help alleviate the demand and reduce pressure on the current facilities. Although the new mosque has a limited capacity of about 40 to 60 people on Fridays, it will significantly enhance our local area. I believe that this development will positively contribute to the neighbourhood and help foster a more inclusive community spirit. I urge you to consider these factors favorably when reviewing the application. Thank you for your attention.
