Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I fully support this application. With the Muslim population growing each year our existing mosque is bursting from the seems and cannot accommodate everyone in one sitting. Our community do need use of another mosque. This will also benefit the wider community as the traffic congestion will be divided into different locations within Gravesend and avoid disruption with the local neighbours etc

Kind regards
