Application Ref: 20250801

Cape Cottage Manor Field Shorne Gravesend Kent DA12 3DX

Prior approval application for a single storey rear extension with a depth of 7.243 metres, maximum height of 3.587 metres and eaves height of 2.418 metres.

This is a redesigned application following the refusal of the previous Application Ref 20250450

The new design and appearance are a considerable improvement and the Parish Council has no objections in principle.

An aspect of concern however is that the proposed new bathroom has a door to the outside and a fully glazed western wall. The glazing (including the door) will need to be permanently obscured in order to protect privacy of users.
