THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015**

NOTICE OF REFUSAL TO APPROVE DETAILED PLANS AND PARTICULARS
--

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Act 1990, has **REFUSED TO APPROVE** detailed plans and particulars submitted on 12th February 2024 in accordance with conditions 3, 4 and 5 of the Notification of Grant of Planning Permission reference 20210321 to Develop Land dated 21 July 2021 in respect of:-

Application to erect a retractable roof over the existing beer garden and the erection of a side extension to provide a kitchen in order to allow food to be served ancillary to the main use.

at: **Barcode

Gravesend

and being **Application for approval of condition 3, 4 and 5 attached to planning permission reference number 20210321 relating to full details of the materials, colour and fixings of the retractable roof and full details, including details/location of external ducting and noise attenuation measures.**

And that the grounds for such refusal are:-

- 1 No details have been provided to discharge condition 4 and therefore the proposal is contrary to Policies CS19 and CS20 of the Core Strategy 2014 and this condition cannot be discharged.
- 2 The submitted information does not include any schematic drawings of the extraction system or mitigation measures for odour and noise. Without full details of external ducting, its location and noise attenuation measures it is not possible to assess the impact of the extraction system. It is noted that a document has been submitted to state the property has been soundproofed but it is not clear where the matting has been installed. Condition 5 cannot be discharged and the proposal is therefore contrary to Policy CS19 of the Gravesham Local Plan Core Strategy (September 2014) that seeks to protect amenity.

INFORMATIVES:-

- 1 **ADVISORY NOTE FROM ENVIRONMENTAL PROTECTION (repeated from 20230796)**

NOISE

- a) A noise survey which should assess the worst-case scenario noise impact from the proposed extract and ventilation system, on nearby residential properties
- b) The survey must include details of an assessment of the whole system and any tonal elements associated it; a 1/3 octave band analysis may be necessary.
- c) The survey must include details of the assessment of structural transmission with the use of anti-vibration mounts where necessary, linings to ductwork to prevent noise transmission, any inline silencers and provide details of where they have been installed.
- d) The demonstration that the results of the noise survey have been incorporated in the design to ensure that the noise generated at the boundary of any noise sensitive property meets the requirements laid down in BS4142:2014 "Method for Rating and Assessing Industrial and Commercial Sound".

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For **all other applications**, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within **6 months of the date of this notice**.
- **Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

***Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

PURCHASE NOTICES

- If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
